CONTENTS

1 / FULL DAY OR HALF DAY MENTORSHIP

2 / TWO DAY INTENSIVE MENTORSHIP

3 / 1:1 ZOOM SESSION

FULL DAY OR HALF DAY MENTORSHIP

Our mentorship sessions are designed for Registered Nurses, Dentists or Doctors who are interested in learning more about the field of cosmetic medicine.

Participants will shadow an experienced cosmetic nurse throughout the day, observing a variety of patient consultations, assessments, and treatments. You will also gain an insight into our business operations and functions, product choice of toxin, dermal fillers and skincare.

OBJECTIVES

- Understand the role of an aesthetic provider.
- Learn how we build rapport with our patients.
- Learn how to provide a thorough and holistic patient consultation and assessment.
- Learn how we craft an individualised treatment plan.
- Observe a variety of individualised treatments.
- Help you to gain insight into your own practice and the way you do things.
- Learn how we lead our patients through their decision making.
- Insight into facial marking and product selection choices.
- Help to build your confidence in the marketplace.

INCLUSIONS

- You will get to enjoy a catered lunch by the clinic with your mentor, along with the opportunity to ask any questions 1:1 you may have.

HALF DAY \$1250

FULL DAY \$1850

TWO DAY INTENSIVE MENTORSHIP

The two day mentoring intensive is a great opportunity to learn and observe on day one, and then on day two exercise practical training whilst Nurse Jodie or Nurse Pru guides you whilst you perform your own treatments on a patient model.

A great opportunity to consolidate your learning in a relaxed 1:1 environment. Master a technique. Master the art of assessment and the skills of injecting!! Leave feeling empowered and more confident in your decision making and technique. Know how to do a facial assessment beyond just cheeks and lips and holistically be able to provide a full treatment plan for them.

You can arrange your own models, or we can arrange your models for you. Cost per model for treatment is at a reduced price - 50% off. Can have up to three models and or three different areas of treatment or more.

Please note that we cannot predict what treatments are booked on any given day. On most days there are a minimum of two injectors rostered on, which can add diversity to the treatment options to show you.

FAQ'S

Why do a mentorship with Nurse Jodie?

Nurse Jodie has been a cosmetic injector since 2012. Prior to this, she was a Registered nurse in the hospitals where she did surgical, ENT, gynaecology, urology and orthopaedic nursing with over 30 years of clinical experience. She is extremely passionate about her patients and the treatments she performs for them.

In the last 6 years, Nurse Jodie has built a strong skin and beauty clinic on the Sunshine Coast. In three years, she has grown her clinic from just herself and one beauty therapist to a staff of ten. She currently employs six nurses, three beauty therapists and a practice manager. Her annual revenue has increased from \$360K to \$2.8 million in only four years. She established a strong following and brand.

She is purpose-driven and passionate about equipping others to be the best version of themselves. She is a person you will feel safe and supported with. She is an expert in her field of aesthetics, a leader in the industry and an international speaker on the treatments they perform in the clinic.

She has equipped and empowered her team of aesthetic nurses to be confident injectors who build rapport with their patients and perform natural holistic treatments to rejuvenate or enhance their own features. She has chosen her team on their values and has trained them to be skilled at what they do.

She has learnt from her own experience of learning with not-so-great managers who have left her feeling disempowered, disillusioned, and depressed and from awesome mentors who have instilled greatness in her. She is so passionate about seeing you shine in your industry and being the best version of you.

Why do a mentorship with Nurse Pru?

Nurse Pru, an anaesthetic nurse used to high-stress and acute areas of nursing, came to Nurse Jodie Clinic to train as an aesthetic nurse in 2021. She was very proactive in embracing the journey to learn and be skilled in all areas of treatment. She quickly grew to become an experienced and highly sought-after injector.

She is a very competent and skilled aesthetic nurse and shows so much empathy and compassion to her clients. She has a brilliant eye for detail, and can strategically create a beautiful treatment plan. She is enthusiastic and passionate about sharing her skills and knowledge with colleagues.

Expectations

During observations of treatments, our patients are not training models, but patients who have booked in for a service. We want to give them 100% of our attention and time for their consultation and treatment. Please refrain from asking questions during this time.

You can ask as many questions as you like between patients. We will endeavour to ask the patient how they feel if questions are asked during their treatment and if it is okay with them. If they consent you may then ask questions throughout the consultation and or treatment.

Certificate of Attendance

Participants will receive a certificate of attendance at the end of the mentorship.

Location

We are located 15 minutes from Sunshine Coast Airport and a 10-minute drive from multiple accommodation options in Mooloolaba. Parking is available onsite in any of the allocated car parks.

Additional Information

The mentoring is limited to only 1 participant at a time. Lunch and refreshments will be provided.
